Colori per l'apprendimento

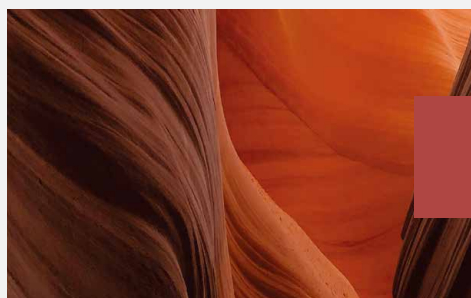

The new line of furniture for learning features a colour palette inspired by nature. Colours of the sea, land and sky harmonize the design and offer a calm and comfortable beauty that responds to an expanding trend in the school sector.

La nuova linea di mobili per l'apprendimento presenta una tavolozza ispirata alla natura. I cromatismi del mare, della terra e del cielo vivono in armonia con il design e offrono una bellezza confortevole e tranquillizzante, che risponde a una tendenza in forte espansione nel settore scolastico.

GRIGIO CHIARO

A neutral and balanced colour. Light grey is associated with conservative and sophisticated meanings.

Un colore neutro ed equilibrato. Il grigio chiaro evoca raffinatezza e sobrietà con un tocco di eleganza senza tempo.

TERRACOTTA

It's not a single colour, but a family of colours that resemble fired clay. It means "fired earth" and the component colours are typically orange and brown.

Non si tratta di un solo colore, ma di una famiglia di tonalità che richiamano l'argilla cotta, spaziando dall'arancione al marrone.

OCRA

Possibly one of the oldest colours and a symbol of life. Some societies quite often associate it with life.

Probabilmente uno dei colori più antichi e un simbolo di vitalità. In molte culture è tradizionalmente legato alla vita.

MENTA

A freshening and welcoming hue associated with summer and water activities because of its similarity to sea shades and pools. It represents tranquillity, balance and calm.

Una tonalità fresca e accogliente, spesso legata alle attività acquatiche per la sua vicinanza alle sfumature del mare. Simboleggia tranquillità, equilibrio e serenità.

BLU NAVY

Chromatic harmony is the equilibrium that one obtains when the right colours are combined. It is consonance, it is calm, it is a piano perfectly in tune.

L'armonia cromatica è l'equilibrio che nasce dalla giusta combinazione di colori. È consonanza, serenità, come un pianoforte perfettamente accordato.

ANTRACITE

It has a great expressive value: highlights the forms, making them more elegant and sophisticated. It's the colour that combines in perfect harmony with all the others.

Ha un forte valore espressivo: esalta le forme, donando eleganza e raffinatezza. È il colore che si abbina in perfetta armonia con qualsiasi altro.

Discovering, organizing and transforming our world is exciting, stimulating and a daily challenge we can make a reality in any space.

How can we create diverse learning spaces?

Scoprire, organizzare e trasformare il mondo che ci circonda è entusiasmante, una sfida quotidiana che possiamo affrontare ovunque.

Come progettare spazi di apprendimento diversificati?

Dividere è moltiplicare

Separating areas within the same space is easy with panels that also provide acoustic comfort. The learning environment has a deep impact on the educational results of all students. Shall we make the most of every square meter?

Suddividere le zone in un unico spazio è semplice con pannelli che, oltre a delimitare, migliorano il comfort acustico. L'ambiente di apprendimento influisce profondamente sui risultati degli studenti. Stiamo sfruttando al meglio ogni metro quadrato?
